

Invitation to ADULTS “Get into Golf” Roving Pro for Stromness Golf Club

Dear Golfers,

As the role of Clubgolf expanded to include adults’ participation as well as juniors we are supporting this with funding available for golf clubs that do not have their own PGA Pro.

Get into Golf Roving Pro funding has been awarded to all three mainland golf clubs which is allowing us to bring a **PGA Professional, Sean Fay**, to Orkney for three trips during 2022. We have worked together to produce a plan which links with junior coaching. As you are aware, practice needs commitment and these coaching lessons are grouped into 3 separate visits by Sean, but in between the Pro coaching the local volunteer PGA qualified coaches will support with more coaching sessions.

This is a marvellous opportunity and we invite you to register. The aim is to improve your golf while enjoying coaching and playing golf to apply what you are learning in the lessons.

Stromness Golf Club has the following Adult Get into Golf Roving Pro coaching sessions:
